Hello!

For the past couple of chapters, I've been writing the younger sister's name as Eclé, but to be honest, it was really bothersome and it also looked really weird in english!

Thanks to some suggestions by other people, I have decided to "change" her name from Eclé to Eclaire.

Phew!!! It looks much better now, doesnt it?

Thank you so much for the kind comments on my blog — I always think "What have I done to deserve all these kind souls ,w," They really help a lot with my motivation Honestly— thank you all so much It warms up my smol heart. <3

And also!
Thank you for reading this series! I hope you enjoy it as much as I do!
